Welcome!

I have had the opportunity to be part of the Bishop Leonard Saint Mary of the Mount school community for 30 years. My loyalty here comes out of the outstanding traditions associated with Catholic education; faith, community, academic excellence, and service, all integral components for a successful life. This tradition has been on this hill for 100 years!

Currently, we enroll 170 students with a teacher/student ratio of 15-1. Our staff includes 11 full time teachers and 1 part time teacher. All faculty members are fully state-certified and our school is Middle States accredited. We offer an outstanding core curriculum, an extensive extracurricular program of sports, clubs and activities and a full service day care and extended day program.

We also offer limited tuition assistance to families falling under particular requirements. Our school is supported by a strong parish/family base and our students are involved in service and community outreach. The Saint Mary of the Mount Alumni is strong and continues to reach out to families in need with tuition assistance.

Our goal at BLSMMA is to build for the future. At BLSMMA, this bright future does not just happen; we plan it, build it, and welcome it! Our foundations are four-fold; we build on Faith; we build a "Christ Centered" school community; we build on excellence; we build on tradition. We believe that these "pillars" will set a strong foundation in molding a young lady/man while paying dividends that will last a lifetime!

We invite you to tour our facilities. Please call the school office @ 412-431-4645 or e-mail us at www.blsmma.org

If I had one word to describe our school setting and school community;

AWESOME!

God Bless,

Cindy Baldrige
Principal
